Hong Kong Shue Yan University (HKSYU) and the Pukyong National University (PKNU), Republic of Korea, signed a Memorandum of Agreement (MOA) in pursuance of collaboration on academic activities on July 2013.

The objective of the MOA is to promote and facilitate cooperation and exchange in hospitality and academic work in the areas of mutual interest between HKSYU and PKNU. The MOA is last for five years.

The Administrative Vice-President Professor FC Hu, representing HKSYU; and the Vice President of International Affairs Office of International Affairs of PKNU, Dr. Soonhyuck Park, representing PKNU, signed the MOA.

Under the MOA, HKSYU and PKNU will set up an adequate short-term programme for their students in order to promote their communication and cultural understanding. The first programme

– HKSYU-PKNU International Summer School 2013 - was held in July this summer.

Both universities agree to provide with a certificate of attendance, which is an official document issued by the host university. Any academic credit that the host university issue should be transferred to the home university. The host university will provide students suitable housing. Tuition, accommodation will be the

responsibility of the host university. The health insurance, round-trip airfare and personal expenses will be the responsibility of participating students.

Both universities will provide participating students with academic guidance and student support services.

In the first exchange programme - HKSYU-PKNU International Summer School 2013

– held this summer, eight Korean students came to HKSYU. Seventeen students from the Department of Sociology were shortlisted to go to PKNU by Ms. Sophia Yip, Associate Vice President (Student Affairs) and Dean of Student Affairs, and Professor Selina Chan. The Contemporary China Research Center of HKSYU hosted the exchange program during the stay of the Korean students with the help of OSA.

The exchange programme consisted of lectures, home-visits and sightseeing to heritage sites. The lectures cover several topics: "Race, Ethnicity, and Identity in Hong Kong", "The Administration of Justice in Hong Kong" and "Understanding Hong Kong's Economy" and aim to provide students with an understanding of the socio-economic and cultural development in Hong Kong. ©

仁大本年錄取 1534 名新生

香港樹仁大學在 2013—2014 學年共錄取 1,534 名新生，較去年增加 159 人。有別於去年的「雙軌年」，今年主要為中六畢業生報名，所以報名總人數由去年的 11,695 人，回落至 5,321 人。

仁大協理行政副校長兼高級註冊主任張國平表示，今年錄取入學人數比去年的 1,375 人，增加 11.5%。雖然人數上升，但沒有超出大學設施的容納量。他指出，今年收生較去年多，與實施新學制有關，因為今年是第二年推行中學文憑考試，學生在聯招中選科仍處於摸索階段，而大學對於學生的成績分佈也不太清楚。仁大為保證錄取人數不會超標或者不足，收生時已參考了去年和以往累積的經驗，並作出周詳考慮。

張國平表示，今年最受歡迎的課程仍然是新聞與傳播（榮譽）文

學士課程，有 1,130 人報讀，其次是工商管理（榮譽）學士課程，有 877 人申請，排第 3 位的是社會工作（榮譽）學士課程，申請人數為 537 人。競爭最激烈的仍然是社會工作（榮譽）學士課程，在 537 名申請人中，只有 47 人被錄取，申請與錄取比例約 11:1。其次是新聞與傳播（榮譽）文學士課程，在 1,130 名申請人中錄取 195 人，成功入學比率約 6:1。

今年有 581 名副學士生報名，最後錄取 41 人。來自內地的考生有 361 人，最後錄取 54 人。經濟及金融系和工管系錄取最多內地生，分別有 17 人和 16 人。

展望 2014 年，張國平表示，明年是第三屆中學文憑考試，校方收生時有多一年的資料作參考。預計申請人數會與今年相若。㊟

SYU admitted 1534 freshmen

Hong Kong Shue Yan University admitted 1,534 freshmen to its degree programmes this academic year, 159 more than last year.

Associate Administrative Vice President and Senior Registrar Mr. Cheung Kwok Ping reported that the intake increased by 11.5% this year compared to 2012/13 (1,375). The number of students is still within the capacity of the university.

Mr. Cheung said this year's admission exercise was not easy because it is only the second year for students who have taken the Hong Kong Diploma of Secondary Education (HKDSE) Examinations to enter university and for JUPAS participating-institutions and Shue Yan to admit them. Shue Yan wanted to make sure that the number of students admitted will be neither too many nor too few.

The most popular degree programme is still the Bachelor of Arts (Hons) in Journalism and Mass Communication, with 1,130 applicants, of whom only 195 were admitted, with an application to admission ratio of about 6:1. The Bachelor of Business Administration (Hons) took second place, with 877 applicants. The third most popular is the Bachelor of Social Work (Hons.) programme. However, it is the most competitive degree programme, with only 47 out of 537 applicants admitted. The application to admission ratio is 11:1.

2011-2012	6,227	1,340
2010-2011	5,354	1,316

graduates admitted are 54 and 41 respectively. The Bachelor of Arts (Hons) in Economics and Finance and the Bachelor of Business Administration (Hons) have admitted the most Mainland students, with 17 and 16 respectively.

Looking forward, Mr. Cheung expects that a similar number of students will be admitted next year. ㊟

胡校監勉勵新生學識與道德並重

香港樹仁大學校監胡鴻烈博士在新生開學禮上勉勵學生學識與道德並重，兩者不可偏廢。

新生開學禮暨新生輔導日9月3日上午在邵美珍堂舉行。胡鴻烈校監致辭時表示，大學生活「是一生中最重要的時期，在這短短4年的大學生活，要培養出自己發展的基礎。這個基礎是甚麼？我覺得最重要的是要注重自己的修養，及獲取基本求生的能力，大學的校訓很清楚地指出就是『敦仁博物』」。

胡校監指出，「敦仁」就是培養仁者的精神，以嚴律己，以寬厚誠信待人，要做到「己欲立而立人，己欲達而達人」。「博物」就是為學要博大又要濬深，不可馬虎，要為將來治學及服務社會，打好紮實的基礎。仁大的教育方針是「學識與道德並重」，兩者不可偏廢。

胡校監又說，學生在大學的4年裏，要在語文進修上多下功夫，因為打好良好的語文基礎，在任何環境下都受用無窮。

本年的新生輔導活動以「追求理想的大學生活」為主題，內容包括課程重點介紹、選科、學則講解和道德誠信講座。另外，為幫助約50名國內留學生盡快適應香港和仁大的學習生活，校方特別為他們於9月2日舉辦「大學生活指導」活動。©

終審法院常任法官陳兆愷 律政司司長袁國強 出席胡鴻烈博士傑出學人講座

2013—2014 年度標誌着香港樹仁大學法律與商業學系成立 40 周年。為慶祝這個日子，法商系特意將原名「法律週」的學術活動，更名為「胡鴻烈博士傑出學人講座」，向校監胡鴻烈博士作出的貢獻致敬。講座於 2013 年 9 月上旬舉行，邀請到 6 位司法界和法律界嘉賓擔任講者，向學生分享經驗及傳授知識，包括終審法院常任法官陳兆愷法官和律政司司長袁國強資深大律師。

首日講座（9 月 2 日）由終審法院常任法官兼法律教育及培訓常設委員會主席陳兆愷法官，擔任嘉賓講者，講題為「法律雙語化：過去、現在、未來」。陳兆愷法官建議英語和中文應同為法庭認可的官方語言，亦認為雙語法律制度比雙語法例系統更為合適，因後者側重於法律上的發展，而前者是受《基本法》保護的全面制度。

第二日講座（9 月 3 日）的嘉賓講者是香港律師會副會長蘇紹聰，主題是「香港法律服務的前景

與挑戰」。蘇紹聰在講座中特別強調語言能力在法律界的重要性。擁有內地執業資格的他鼓勵學生應放眼中國內地市場，並取得內地的法律專業資格。

香港大律師公會主席石永泰資深大律師主持第三場講座（9 月 4 日），講題為「法律與衝突——兩者如何有關連？」。石永泰以多個例子說明諸多因國籍不同而引起的糾紛，從而強調各地國內法的重要性，例如當不同國籍人士在法律上發生衝突，法院會考慮雙方同意的隱含法律，包括所使用的語言。

清華大學法學院院長王振民教授擔任第四日（9 月 5 日）的嘉賓講者，講題為「中國法律教育：成就，問題與出路」。王振民指出，「法治是國家需要建立的一個夢想」，中國需要進一步建立法治。他又認為，現時中國的法律研究只着重專業性方面，忽略了個人道德修養。

當晚（9 月 5 日），王振民院

長、英國倫敦大學伯貝克學院行政院長 Patricia Tuitt 教授和仁大法商系系主任趙文宗博士，就成立跨域法學理論和政策研究中心舉行簽約儀式。三方期望研究中心的設立能促進三地的學術交流。

講座第五日（9 月 6 日）是由 Patricia Tuitt 教授任嘉賓講者，以「2007 英國法律服務法及法律理論的必要性」為主題發表演講。Tuitt 教授首先介紹了該法例，並進一步評論法例帶來的影響。他又認為，法學院應加強寫作和批判性思維的訓練，以配合 21 世紀市場的需要。

最後一場講座（9 月 10 日），由律政司司長袁國強資深大律師擔任嘉賓講者。袁國強在講座中談到內地與香港的關係，以及兩地在過去、現在和未來出現爭議時的解決方法，並提出以「替代訴訟紛爭調解」解決爭議。袁國強又建議推動香港成為法律樞紐和全球糾紛調解中心，以保持香港的競爭力。㊟

Mr. Justice Patrick Chan and Mr. Rimsky Yuen Among the speakers of Dr. Hu Distinguished Lectures

The year 2013-2014 marks the 40th Anniversary of the Department of Law and Business. In celebration of this memorable year, the department organized a series of lectures entitled, "The Dr. Hu Distinguished Lectures (2013 Fall)". Previously known as "Law Week", the event has now been renamed in recognition of the outstanding contribution made by Dr. Henry Hu Hung-lick, the founder of Hong Kong Shue Yan University, to tertiary education in Hong Kong.

The event was held from the 2nd to 10th September, 2013. In addition to the six invited guest speakers, various guests also attended the lectures together with

students from the Law and Business Department.

The opening lecture was given by The Hon Mr. Justice Patrick Chan, PJ, GBM, Permanent Judge of the Court of Final Appeal and Chairman of Standing Committee on Legal Education and Training, on the topic of "Bilingualism in the Law: Past, Present and Future". Mr. Justice Chan proposed the use of both English and Chinese as official languages in the Hong Kong courts. He spoke of the need to differentiate between the legal meanings that can be inferred in the two languages, since they share few legal terms, posing a problem for wider public understanding.

Mr. Thomas So – vice-president of the Law Society of Hong Kong – was the guest speaker on Day 2 (3rd September, 2013). Mr. So gave a speech in Cantonese, on the topic: The Future and Challenges of Legal Services in Hong Kong. In his speech, Mr. So emphasised the importance of language proficiency in the legal profession. He believed that being a certified solicitor in only one jurisdiction is not enough. As a legal practitioner in China, Mr. So further encouraged students to look towards the Mainland market and to sit the Chinese Law Exam in addition to their qualifications in Hong Kong. Hong Kong is able to remain the logistics hub of Greater China because she follows the more

internationally transparent British common law system.

Mr. Paul Shieh, S.C., the Chairman of the Hong Kong Bar Association, lectured students on the topic, “The Conflict of Laws – how relevant is it?” on Day 3 (4th September, 2013). Mr. Shieh gave five examples of disputes between companies of different nationalities. The lecture reflected on the importance of states’ domestic or state laws, which vary from state to state. Often, both parties would be more comfortable to have the case tried in their respective jurisdictions. When there is a conflict of laws between parties, courts would look into the implied agreed law between disputing parties, such as the origin of the dispute and languages used in the dispute.

The department hosted Professor Wang Zhen-min, Law Dean of Tsing Hua University, on Day 4 of the event (5th September, 2013) to speak about “Chinese Legal Education: Accomplishment, Problem and Path”. Professor Wang started with the statement, “a country needs to build a dream, which is the Rule of Law.” The British enacted their first patent law in 1624; The French leader Napoleon Bonaparte, after fighting in more than 40 battles, established

the Code Napoleon in 1804. Legal studies in China have tended to focus more on professions and corporations, at the expense of the individual. Moreover, the teachings are too generalised and focus chiefly on profit making. Professor Wang raised the important issue that China needs to further develop the rule of law and judiciary independence.

On the same day, three universities, including Tsing Hua University, Birkbeck School of Law, University of London and Hong Kong Shue Yan University jointly signed a contract to establish the Trans-jurisdictional Legal Theory and Policy Research Centre.

On the fifth day (6th September, 2013), Professor Patricia Tuitt, Executive Dean of Birkbeck School of Law, University of London, spoke about “The UK Legal Services Act 2007 and the need for a theory of law”. She gave an introduction on the Act, which reviewed the entire content of legal services, such as legal training for lawyers. Professor Tuitt further commented on the influences of the Act and how its development would impact education in law schools. In future, students in law schools would have to develop writing, research and critical thinking skills. The change should comply with the 21st century market, which

requires a huge amount of legal research and critical thinking. Law is philosophical and theory based; it requires constant critique in order to keep up with the ever-changing social trends and circumstances.

On the final day (10th September, 2013), the department was proud to invite the Secretary of Justice, Mr. Rimsy Yuen, S.C., JP to be the guest speaker. Mr. Yuen talked about “Dispute Resolution, Past, Present and Future”, focusing on Hong Kong’s relations with Greater China. Mr. Yuen chose this topic because he felt dispute resolution can enhance Hong Kong’s status in the Asia Pacific region. Dispute resolution commonly results in court litigation, where both plaintiff and defendant are summoned to court. Mr. Yuen noted the rising popularity of an additional form of resolution: Alternative Dispute Resolution (“ADR”). ADR takes the form of arbitration, mediation and early neutral evaluation, acting as a kind of problem-solving process, exploring disagreements as a mutual problem. In order to sustain the competitiveness of Hong Kong and to build her unique characteristics, Mr. Yuen suggested that as ADR is becoming more globalised and regionally developed, Hong Kong could take this chance to assume the position of a regional legal hub. ©

余若薇資深大律師任鍾期榮博士年度講座主講嘉賓

法律與商業學系於2013年6月7日邀請到香港公民黨主席余若薇資深大律師，蒞臨香港樹仁大學，出席鍾期榮博士年度講座主講嘉賓，以「政治與法律」(Politics and Law)為題作演講。

鍾期榮博士年度講座為法律與商業學系年度活動之一。講座成立的目的為紀念仁大校長、著名教育家及中國首位女法官鍾期榮博士的卓越貢獻。學系每年均邀請一位知名人士就其所選擇的法律範疇上作演講。

余若薇於1993年成為御用大

律師(現稱資深大律師)，1997年至1998年任香港大律師公會主席。此外，余亦曾任立法會議員，及出任公民黨創黨黨魁。

在演講中，余若薇首先論及法治(rule of law)在「一國兩制」之下的重要性。她認為，在解釋《基本法》的時候，法律有時會與政治有相交點，例如關於內地母親來港產子，以及外籍傭工在港工作7年後是否應該擁有居港權等。她指出，這些具「政治色彩」的案件往往會誘惑香港民眾摒棄香港普通法的制度，走捷徑，以達到自己的目的。

余若薇在講座中也表達了對「佔領中環」及社運人士被「政治檢控」的看法。最後，她鼓勵學生要維護法治，以及要對自己的信念堅定不移。

在講座的問答環節，不少學生踴躍參與發問，氣氛熱烈，當中不乏令人深思的問題，如《基本法》有何地方可作改善，以及政府如何改善行政與立法的關係等。

講座有近百人出席，包括法律與商業學系的本科生、大學管理層以及法律與商業學系的教職員。㊟

Ms. Audrey Eu Yuet-Mee, distinguished speaker at the Dr. Chung Chi-yung Annual Lecture 2013

The Department of Law and Business was honoured, on 7th June 2013, to welcome Ms. Audrey Eu Yuet-Mee SC, JP, Chairman of the Civic Party, as the guest speaker at the Dr. CHUNG Chi-yung Annual Lecture 2013, delivering a speech entitled "Politics and Law".

The Dr. Chung Annual Lecture is an annual event of the Department of Law and Business. Its aim is to commemorate the outstanding contribution of Dr. Chung, who is a prominent educationist and was China's first female judge. Each year, a distinguished guest of honour is invited to give a speech on a legal subject of their choice.

This year, Ms. Audrey Eu, Chairman of the Civic Party, was the distinguished guest speaker at this event. Ms. Eu was called to the Inner Bar and became a Queen's Counsel (now known as Senior Counsel) in 1993. She was the Chairperson of the Hong Kong Bar Association in 1997 and 1998. Ms. Eu is also a former member of the Legislative Council and is the Founding Leader of the Civic Party. In her speech on "Politics and Law",

Ms. Eu stressed the importance of the rule of law under the "One Country, Two Systems" regime, pointing out how politics and law sometimes overlapped in the interpretation of the Basic Law. As examples, she cited "political cases" on whether Hong Kong should grant the right of abode to mainland mothers and domestic helpers, suggesting how the Hong Kong community could be tempted to abandon the Common Law system and judicial independence in order to seek a "short-cut" solution to achieve their purpose.

Ms. Eu argued that the rule of law serves to protect citizens in a society, but it could become an instrument of the Government and so fail to satisfactorily address particular issues or individual cases. She offered her opinion on the "Occupy Central" movement and on the prosecution of political activists. Lastly, Ms. Eu encouraged students

to uphold the rule of law and stand up for what they believe is right and what they believe is wrong.

The event concluded with a lively Q&A session, in which some thought-provoking questions were raised by students, such as on the issue of whether reform of the Basic Law is needed, and what the Hong Kong Government should do in order to improve the relationship between the Legislative Council and the Government.

The event was well attended by students, senior management of the University and teaching staff of the Department of Law and Business. ㊟

Research grant proposal writing workshop

A research grant proposal writing workshop arranged for academic staff was held on September 7, 2013, in the Exhibition Hall of the Main Academic Building of the University's Braemar Hill campus.

The guest speaker of the seminar was Professor Terry Au (區潔芳) of the Department of Psychology, University of Hong Kong, and it was hosted by Professor Geoffrey Blowers, Director of Graduate Studies of the University. Around 70 academic staff from across the University's 11 departments attended.

During the seminar, Professor Au explained the importance of methodology, budgeting, collaboration and plagiarism in writing a research grant proposal, and gave some writing tips to the participants.

Hong Kong Shue Yan University (HKSYU) is taking a series of actions to strengthen its systems and to give new momentum to academic research to achieve its goal of becoming a research-active university by 2015. The University's research policy aims to enhance its research culture by encouraging

academic staff to take part in more research and supporting them in their efforts to apply for the government's research funding scheme for the self-financing institutions due to be implemented later this year.

The Hong Kong Government set up a HK\$18 billion Research Endowment Fund in 2009 as a long-term commitment to research development in universities. In the 2011-2012 policy address,

the Chief Executive proposed to inject HK\$5 billion more to the Fund. The investment income of HK\$3 billion of this (estimated at \$150 million annually) would provide new research funding to the self-financing degree-awarding institutions on a competitive basis. The Finance Committee of the Legislative Council has passed the funding proposal and the government announced the application details in August of this year. ©

成和道上的樹仁書院

黃志涵於 1971—1974 年出任樹仁書院註冊主任及社會學系講師。其後任職香港政府統計處。1988 年移民加拿大，就任安省政府流行病專家。黃先生喜好寫作，曾以筆名夏侯桑為《信報》撰寫「港事知多少」專欄，移民後亦先後於《資本雜誌》、《九十年代》、《城居周刊》及《崇基校友》、《金文泰 1962》網站發表不少文章。

1971 年夏天，我應邀到跑馬地成和道一座精雅的小洋房見鍾期榮博士，經通傳後，一個身穿旗袍，精神旺盛的矮小身影從辦公室急步而出，引領我到主層的會客室。

「黃先生，很多謝你來探我，」她邊說邊拿起大號的駱駝牌暖水壺傾茶奉客：「請用茶。我自今年初辭去浸會學院的教務後，曾想過辦一所幼稚園，與天真活潑的孩童為伍，無須再捲入教會和學院的權力鬥爭中，繼續為香港的教育盡一分力量。可是，朋友、同學和學生都不贊成，大家認為我從事高等教育 20 多年，理應繼續朝這方面發展，尤其現今香港雖已有港大和中大，但學位仍然遠遠求過於供，不少有志為的中學生都得不到進修和發展機會，所以我和胡律師詳細考慮後，還是決意籌辦一所為香港社會培育人才的非牟利專上院校。」

「我進來時已看到樹仁學院的校名，相信你們仍以中國傳統文化的『仁義禮智信』思想為辦學的根基吧。」論輩份，鍾博士是我的老師，但她在中大崇基兼課時沒有教過我，所以我也不是她的學生。1970 年她任浸會學院文學院院長時，聘我為社會系全職講師，到她辭職為止，我只和她共事了半年多，那時我的身分仍是浸會學院的講師。

「自你在浸會任教以來，我一直留意你，發覺你有理想和衝勁，和學生很親近，很適宜在一個新環境中拼搏，浸會不會給你這種機會。如果你認同我們的辦學理想，我希望你過來幫我共拓新院校。這將是很艱辛的工作，薪酬也比不上中大，不過我相信你會接受我至誠的邀聘。」鍾博士的廣東話雖然不易聽，但很誠摯感人。於是我便接受了樹仁書院所發的第一號專任教職員聘書，在學院未開學時，出任註冊主任兼社會及社工學系講師。

樹仁學院的第一學年設有 6 個大專學系和一班中六預科班。大專學系設日、夜校兩組，方便在職學生於晚上進修，各系只收取一年級及兼讀的二年級學生。經一番宣傳攻勢後，報名學生相當踴躍。中六預科班由新聘的班主任鍾健榮先生（按：並非鍾期榮博士的親屬）負責甄選學生，大專部則多數學生由我面試，有時胡校監來商討校務，看見面試不合格的學生檔案，便會很細心地閱覽，然後說：「黃主任，孔夫子不是說有教無類嗎？你盡量給他們機會吧，你們總有辦法將基礎較差的學生拉上去的，不要讓年輕人失望！」因此，第一學年開始時，社會及社工學系一年級學生竟有 60 餘人，商管系 50 餘人，而新聞系亦有 20 人，使小小的校舍滿溢着朝氣。

當時的註冊處設在校門入口的右側，有一玻璃窗對着走廊，可以看見同學進出校門，那時註冊處的同事多是熱心工作的年青人，很快便記得大部分同學的姓名、系別和選課，誰人「走堂」而在走廊出現，差不多一看便知，其中一位同事記憶力驚人，因為她連學生的學號也可以隨口唸出來，使同學驚詫不已，心中暗想，難道校長和主任率領職員每天默唸學生名單？為甚麼他們如此留意我們？

我當時也熟記大部分同學的姓名、系別和考試成績。中期試過後，很多時會在校舍前面小小的花園中「遇到」成績有問題的同學，輕描淡寫地和他們談談學業近況，藉此提醒他們哪些學科需要加油趕上，並且聽聽他們有什麼困難。那時的感覺是，這種輔導方式，比由註冊處正式約見他們，告以成績再加勸勉來得有效。其實當時我們並沒有刻意熟記學生姓名，只因大家都用「心」去處理校務和輔導學生，所以他們的容貌、姓名、系別和成績等資料都自然地儲藏在腦海中。其後許賜成主任繼續為樹仁全心全意服務 30 多年，也能維持這個親近同學的傳統。

第一年入學的同学，畢業至今已近 40 年，在人生路上各自開拓奔馳，際遇不同，成就各異，大抵都能在工作中展現出「敦仁博物」的精神，並且在各行業中取得成就，其中如社會服務界的吳少華、李建賢、劉義朗、吳佩貞、張鼎昌、蕭炳軒、田金菊、周白娟，新聞界的呂家明、包雲龍、潘樹泰、許文瀚、黃仁達，商界的吳家彥、莊瓊旋、蔡楷貞、余淑華，和教育界的馮鑑施、何亮珠、朱博文等等（抱歉，不能盡錄）都是樹仁創校期的畢業生，回首 40 載，大家總有多番感慨吧。㊦

以康體活動聯繫在校學生

人的成長，每有不同的包袱或枷鎖，有受環境影響，也有是性格使然。然而，引用多年前一齣話劇的一句對白，大意說：「人生最大的瘋狂，就是把人生看成是『怎樣就怎樣』，而不是『應該怎樣』。」不是嗎？如果凡事因循，缺乏進取，人的發展只會備受局限，難有成就可言。

事實上，只有肯為自己的前途訂立明確目標，有勇氣突破既有的框架，人生才會積極，活得才有意義！人生如是，組織或機構亦如是。香港樹仁大學由零開始，到取得今天的成就，也是體驗了甘於為理想和目標而奮鬥的無比勇氣和奉獻精神，突破框架，才成就了全港第一所私立大學。同樣地，香港樹仁大學校友會亦在成長過程中，努力尋求突破，為發展開創新機遇。

為向樹仁學生和校友推廣在學習和工作外保持運動，校友會在9月底舉行的第32屆周年會員大會上，通過成立康體組，組織學生和校友參與有系統的康體訓練，藉此凝聚更多不同志趣的校友和在校學生，共同為校友會的發展作出貢獻。

首度出征渣打馬拉松

成立康體組的首項工作，是籌組長跑隊以樹仁校友會名義參加「渣打香港馬拉松2014」。校友會會以試點模式，在今屆馬拉松組織已報名參賽的校友和同學，期以校友會名義一起參與，初步已聯繫了約10位校友報名參賽，其他已報名的校友亦可與校友會聯絡（info@hksyuuaa.com），擴大隊伍陣容。汲取是次經驗，校友會可望日後能更有系統和部署地正式組隊參與馬拉松或其他康體活動。校友會強調的是參與精神、決心和毅力，期望經過持續的訓練，培育校友和同學對理想和目標的信念與堅持！

校友會在過去一年亦加強與其他大學校友組織的聯繫，包括以支持機構身分與其他院校的校友會一起推動和開展活動。雖然這只是一

個起步，但藉積累更多不同經驗，有助校友會日後的發展取得突破。周年會員大會當日，校監和校長亦親臨會前的聚餐，與校友一聚。這份情誼，直教在場校友無不感動！對，這不就是樹仁精神！只此一家，別無分店！©
