Interview with Mr. Felix Leung – the new Administrative Vice President 新任行政副校長梁鏡威 談三大主要任務

Mr. Felix Leung Kang Wai was appointed Administrative Vice President of Hong Kong Shue Yan University (HKSJU) on March 1, 2016. Mr. Leung says he will focus his attention on three main tasks in the coming year: to consolidate faculty and departmental facilities into the new Research Complex, to enhance the study abroad scheme, and to launch the minor programmes.

Q: Reporter of Shue Yan Newsletter

A: Mr. Felix Leung

Q: As the Administrative Vice President, what are your main duties?

A: My responsibilities are mainly divided into two parts, student affairs and the administrative work of the Registry. In the coming year, I will focus my attention on three tasks. Firstly, the opening of the Research Complex. I will get consult with colleagues and students to make the best possible use of the new building. At the same time, the facilities and the purposes of other buildings will be consolidated, including the Main Building, Library Complex, Residential and Amenities Complex and the Wan Chai Campus.

Q: Could you tell us more about that?

A: The University has decided not to increase the number of undergraduate students after the new building comes into operation. This means that we will plan the uses of the new building on the basis of the current size of the student population. The new building will provide students with more teaching and learning facilities. More importantly, having more space available for student use may encourage students to stay on campus after class. This will greatly improve their campus life. On the other hand, we will renovate the Main Building after the Research Complex comes into operation. It is a four-year project. We will renovate one floor at a time. Since it takes about four months to finish one floor, the renovation is expected to be completed in four years.

Q: What is your second main task?

A: I believe that lots of students have heard of the Study Abroad Scheme, which started last academic year. This year, we have 47 students studying abroad at our partner universities in Sweden, the United Kingdom, Australia,

Mr. Felix Leung received his Master's degree in Education from The University of Manchester and MBA from Australian National University. He was formerly Principal Registrar of Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ), and was appointed Director of the Hong Kong Art School in 2008. In September 2014, Mr. Leung was appointed as Associate Academic Vice President (Strategic Planning) of Hong Kong Shue Yan University, and made Administrative Vice President in March 2016.

New Zealand, Japan, Korea, Taiwan and the Mainland. Six of them will stay for two semesters. The total number of partner universities is 27, from 11 countries and regions. I do hope that the Study Abroad Scheme can be enhanced because this is students' "extended campus life".

We understand that some students may not be able to participate in a semester-long or year-long Study Abroad Scheme because of the cost involved. Therefore, we also organize Overseas Summer School Programmes. Those who join the programmes will study at our partner universities in Korea or the United Kingdom this summer. The courses of the summer school are credit bearing.

In addition, the University used HK\$2,300,000 of Dr. Li Dak Sum's HK\$10 million donation last summer to set up the Dr. Li Dak Sum Student Exchange Scholarships to support students studying abroad. Dr. Li is a member of HKSYU's Board of Governors. The Scholarships can support up to 15 students each semester to join the Study Abroad Scheme till 2023.

It is my responsibility to explore and develop these aspects of the University's internationalisation initiative. International internship is also worth mentioning here. In 2016, the ASEAN Internship Scheme for Hong Kong Higher Education Students has been extended to include HKSYU. As of 9 March, five students have been offered an internship position by organizations in Singapore under the scheme, including two students in Cathay Pacific Singapore. This demonstrates that students of Shue Yan University are as competitive as the students in the eight institutions that are funded by the University Grants Committee.

Q: What is your third main tasks?

A: My third main task, which is also the most important in the coming academic year, is to launch the minor programmes arrangements in 2016-2017. Under the major and minor programmes system, for example, a BA student who is interested in journalism and communication subjects can take Journalism and Mass Communication as his/her minor programme. The number of credits required to complete a minor is 18. Year 1 students who were admitted to HKSYU in the 2016-2017 academic year can apply to take a minor at the beginning of the second semester, that is, early 2017. Those who register on a minor will start taking the required minor courses in 2017-2018 academic year. There will be no specified minimum GPA or academic performance requirement in order to be accepted onto a minor programme, but there will be limited quota for each minor. HKSYU will be the first self-financing institution in Hong Kong to launch the major/minor option.

梁鏡威先生於2016年3月1日出任香港樹仁大學行政副校長。他接受《樹仁簡訊》專訪時表示，在未來的一年，他主要有三大任務，包括規劃研究院綜合大樓用途、進一步推展境外學習計劃 (Study Abroad Scheme) 及落實副修課程 (minor programmes)。

問：《樹仁簡訊》記者
梁：梁鏡威

問：作為行政副校長，你主要的職責是什麼？

梁：我的職責主要分為兩部份，包括學生事務及註冊處的行政事務。未來我有三個較重要的任務。第一，研究院綜合大樓的用途規劃。在籌劃期間，我將會與校內同事及同學進行溝通，讓新校舍得以更好地利用。同時，亦會重新規劃其他幾棟大樓的用途，包括主教學樓、圖書館綜合大樓、宿舍文康大樓及灣仔校舍。

問：可否請你多說一點。

梁：大學已決定在新大樓落成後，不會增收本科學生，所以我們可以按目前的學生規模來規劃新大樓的用途，並整合大學設施。新大樓將會有更多教學與學習的設備，也讓同學有更多空間作各類型活動和學習。更重要的是可以鼓勵同學放學後留在校園，令同學的校園生活得以改善。另外，校方將翻新現有的主教學樓，翻新工程將會按步就班，逐層展開，以每一層工程需時約4個月計，整項工程預計需時4年完成。

問：你第二個主要任務是什麼？

梁：相信很多同學都有聽過我們的境外學習計劃 (Study Abroad Scheme)。這計劃在2014—2015學年開始接受同學申請，本學年有47位參加計劃的同學在伙伴大學作交流學習，遍及國家/地區包括瑞典、英國、澳洲、新西蘭、日本、韓國、臺灣、及中國，當中6位同學會作為期兩個學期的交流學習。這計劃的伙伴大學目前已增加至27間，分佈於11個國家/地區。我很希望把境外學習計劃辦得更好，因為可以在外面的大學學習和生活，是同學校園生活的延伸 (extended campus life)。

我們了解到，有些同學會因為費用問題，未能參與為期一個學期或兩個學期的境外學習計劃，為此，我們推出海外暑期學習計劃 (Overseas Summer School Programmes)，參加的同學可以在今年暑假，到英國或韓國的伙伴大學交流學習。要特別一提的是在此暑期計劃所修讀的都是學分課程。

另外，校董李達三博士去年暑假向大學捐出1,000萬港元，校方已決定動用其中230多萬元，設立「李達三博士交換生獎學金」，由現在起至2023年，每個學期設15個獎學金，資助學生參加境外學習計劃。

以上都是由我負責拓展的大學國際事務範疇，。除此以外，仁大在2016年也被納入「香港高等教育學生東盟實習計劃」當中。截至3月9日，5名仁大學生獲計劃揀選，將於今年暑假在新加坡的機構實習，其中兩人會在新加坡國泰航空工作。這反映仁大學生的表現，與8間大學教育資助委員會資助院校的學生不遑多讓，有能力競逐實習職位。

問：請談談你第三項主要任務。

梁：第三項主要任務可說是我在新學年最重要的任務，即在2016—2017學年推行副修課程 (minor programme) 制度。主修和副修制度可讓同學除了主修學科之外，修讀另一門學科為副修。例如修讀工商管理課程的同學，如對新聞傳播學科感興趣，可同時修讀一些新聞與傳播課程的科目作為副修。同學需成功修讀另一門學科課程並獲得18個學分，方可視為完成副修課程。在2016—2017學年入學的一年級同學，可以在第二個學期，即2017年年初，申請副修其他課程。選擇副修的同學，將會在2017—2018學年，正式上副修課程的課。副修沒有最低成績 (GPA) 或學術的申請要求，同學是否能副修另一門學科，將視乎每個副修課程的名額及同學申請的多寡而定。仁大將會是全港第一間設立副修課程的自資專上院校。

英國曼徹斯特大學 (The University of Manchester) 教育碩士，澳洲國立大學 (Australian National University) 工商管理碩士。曾任香港學術及職業資歷評審局首席評審事務主任。2008年出任香港藝術學院院長，2014年9月加入香港樹仁大學，出任協理學術副校長 (策略發展)，2016年3月出任仁大行政副校長。

2016 Interdisciplinary Research Seminars and Lectures in HKSYU

Table 1: Recently held research seminars, lectures and workshops

Date	Activity	Speaker/Host	Topic
2 Mar 2016	Research Seminar	Dr. Tom Schonberg Assistant Professor Department of Neurobiology Tel Aviv University	New findings on the cue-approach effect: An automatic mechanism of behavior change
3 Mar 2016	Research Workshop	Dr. Tom Schonberg	(1) Reward and value in the human brain and the danger in informal reverse inference (2) Are you a risk-taker?
16 Mar 2016	Research Seminar	Professor Takeshi Okada Graduate School of Education The University of Tokyo	The role of inspiration in artistic creation
17 Mar 2016	Research Workshop	Professor Takeshi Okada	How to develop art workshops to foster artistic expression and creativity
21 Mar 2016	Research Workshop	Dr. Kenneth Yuen Scientist Neuroimaging Center University Medical Center Johannes Gutenberg University Mainz	Neural mechanisms of time perception: a fMRI study (Part 1: Basic theory & setup)
22 Mar 2016	Research Workshop	Dr. Kenneth Yuen	Neural mechanisms of time perception: a fMRI study (Part 2: Data analysis routine)
23 Mar 2016	Research Workshop	Dr. Kenneth Yuen	Neural mechanisms of time perception: a fMRI study (Part 3: Advanced analysis I)
24 Mar 2016	Research Workshop	Dr. Kenneth Yuen	Neural mechanisms of time perception: a fMRI study (Part 4: Advanced analysis II and open discussion)

Table 2: Activities in the coming months

Date	Activity	Speaker/Host	Topic
22 Apr 2016	Distinguished Lecture	Professor Kar-yiu Wong Department of Economics University of Washington	Judgement in managerial risk
28 Apr 2016	Academic Tutorial	Dr. Esther Lau Assistant Professor The Hong Kong Institute of Education	Everybody sleeps, and everything can be related to sleep
16 Jun 2016	Research Workshop	Dr. Woo-Young Ahn Assistant Professor Department of Psychology Ohio State University	Science of decision making
28 Nov 2016	Distinguished Lecture	Professor Sadar Islam College of Business Victoria University	Bringing economic and naturalistic risk taking with cognitive neuroscience
Nov 2016	Research Workshop	Professor Stephen Eglen Reader Department of Applied Mathematics and Theoretical Physics University of Cambridge	Neuroscience and Education

A series of distinguished lectures, research workshops and academic tutorials led by internationally renowned academics from top universities around the world will be hosted by Hong Kong Shue Yan University (HKSYU) in the coming months.

These activities are an integral part of the research project “Constructing An Interdisciplinary Research Platform at Hong Kong Shue Yan University” (The Project) funded by the Research Grants Council of the University Grants Committee. The Principal Investigator of the Project is Dr. Hu Fai Chung, Deputy President, and main project team members include Professor Catherine Sun, Academic Vice President, and Professor David Yeung, Head of the Department of Business Administration.

The purpose of the Project is to establish interdisciplinary collaboration in the three strategic research areas of HKSYU, including: (1) brain-based teaching and learning; (2) decision-making; (3) negotiation and persuasion. The Project aims to construct an interdisciplinary platform, utilising current and newly acquired resources, to further academic research and to encourage interdisciplinary collaboration at HKSYU, and to offer opportunities to academic staff in Hong Kong to gain knowledge from respected international scholars and accomplished researchers.

Following the success of last year's programme of activities, the Project launched a series of large scale research seminars, lectures and workshops this

year. Two research seminars were held on 2 March and 16 March. The 2 March seminar was led by Dr. Tom Schonberg, Assistant Professor of Neurobiology at Tel Aviv University, with the topic of “New Findings on the Cue-Approach Effect: An Automatic Mechanism of Behavior Change”. On 16 March, Professor Takeshi Okada of the Graduate School of Education, The University of Tokyo, shared his views on “The Role of Inspiration in Artistic Creation”. (The list of recently held research seminars, lectures and workshops are at Table 1)

In the coming months, two distinguished lectures, two research workshops and one academic tutorial will take place, led by internationally renowned academics from top universities around the world including Professor Kar-yiu Wong, Department of Economics at University of Washington, and Dr. Stephen Egle (a computational neuroscientist) of the Department of Applied Mathematics and Theoretical Physics at the University of Cambridge. (For details see Table 2)

Professor Takeshi Okada of the Graduate School of Education, The University of Tokyo, led a research seminar and a research workshop on March 16 and 17, 2016.

Department of Law and Business High Table Dinner 2016

前任特許秘書公會會長魏偉峰 任法商系高桌晚宴主講嘉賓

▲ Keynote speaker Dr. Maurice Ngai (front row, fourth left) with guests and University and Department staff. 主講嘉賓魏偉峰博士（前排左4）與其他嘉賓、仁大和法商系教職員合照。

The Department of Law and Business of Hong Kong Shue Yan University holds its High Table Dinner annually. This year the High Table Dinner 2016 was successfully held on 16 March in the Hong Kong Club, kindly organised by Professor of Practice, Professor Huen Wong, of the Department. The Department was honoured to have the Immediate Past President of the Hong Kong Institute of Chartered Secretaries, Director and CEO of SW Corporate Services Group Limited, Dr. Maurice Ngai, as the keynote speaker this year. Dr. Ngai is also an Adjunct Professor of the Department and is well recognised as one of Hong Kong's most illustrious practicing chartered secretaries.

This annual High Table Dinner aims not only to promote intellectual exchange between participants in different fields, but also to enhance students' interpersonal and social etiquette skills. This year, over 180 participants attended the event, including members of the legal, political and business fields, senior officers of the University, teaching staff of the Department, graduates and current students.

The evening began with a welcoming speech by Dr. Andy Chiu, Head of the Department of Law and Business. He closed by handing over to the distinguished guest of honour, Dr. Maurice Ngai, to deliver his speech entitled "At A Crossroads - Chartered Secretaries".

In his speech, Dr. Ngai discussed his path to success and his story of being a chartered secretary. He emphasized the significance of working hard. When asked whether academic knowledge or practical skills were more important attributes for a chartered secretary, he answered that both were important, but there was a third essential quality that is a chartered secretary needed and that was a strong ethical sense. He encouraged students to strive to do their best so as to achieve their goals. Following the questions from the students, participants were served dinner.

Before the end of the High Table Dinner, a prize presentation ceremony was held to recognize student's hard work on their assignments, mooted exercises and examinations. Dr. Claire Wilson, Associate Head of the Department of Law and Business, invited a number of the distinguished guests to give out the prizes to students with outstanding academic results in different subjects. Afterwards, one of the outstanding graduates, Mr. Em Lou, shared his experience during his studies, striving for excellence through determination. His entertaining and humorous speech concluded by his encouraging students to cherish their time at Shue Yan University by studying hard and trying to live up to the expectations of their professors and lecturers.

香港樹仁大學法律與商業學系2016高桌晚宴於3月16日在香港會所舉行，前任香港特許秘書公會會長魏偉峰博士，應邀擔任晚宴的主講嘉賓。

法商系每年均會按照傳統舉行高桌晚宴，希望學生能透過與席間嘉賓的互動溝通，提高個人的溝通和社交技巧，掌握餐桌禮儀；亦希望透過主講嘉賓的分享，讓學生能對晚宴的主題有深切的了解及體會。當晚的參加人數超過180人，嘉賓包括法律界、政界、調解及仲裁界及商界的知名人士，樹仁師生及畢業生亦積極參與其中。

高桌晚宴由法商系系主任趙文宗博士的歡迎詞揭開序幕。主講嘉賓魏偉峰博士之後以「At A Crossroads - Chartered Secretaries」為題，講解如何成為一位成功的特許秘書，並分享自己成為一位成功特許秘書的經歷和故事。

在發問環節，魏偉峰博士被問到對於成為一位特許秘書，學術成績還是實用技巧較為重要。他認為兩者同樣重要，同時提出道德觀念是第三種特許秘書應具備的重要特質。魏偉峰博士以勉勵同學努力地、堅定地向目標進發作結語。

在晚宴結束前有一頒獎環節，獎勵在各個科目表現傑出的法商系學生。榮獲傑出學生獎的法商系應屆畢業生樓暢宇，亦於當晚分享自己努力不懈的成果，並勉勵在場的學弟學妹勤奮好學，不負校長及各位師長的悉心栽培。

陸運會刷新 3 項大會紀錄

香港樹仁大學第28屆陸運會，於3月11日在灣仔運動場舉行，有兩個男子項目和一個女子項目刷新大會紀錄，而工管系則獲得團體第一名。

今屆陸運會共有300名同學報名參加，社工系佔86人，是報名人數最多的學系。

比賽當天早晨氣溫跌到攝氏11度，但參賽選手都準時來到運動場。上午9時完成升旗禮後，各項目的比賽隨即展開。

上午進行男、女子組100米初賽，但大部分項目都是決賽。特別有看點的是田賽項目，因為有兩個項目刷新大會紀錄。

英文系的戴肇麟，剛在3月初舉行的香港大專田徑賽男子三級跳遠奪得第4名，今次再創佳績，跳出13.6米，奪得冠軍，並打破校內紀錄。他在跳遠也同時打破大會紀錄，以6.29米勇奪冠軍。他在男子110米欄也

跑出第一名，成績是16秒2。戴肇麟同時獲得男子組個人全場總冠軍。

女子組也有一個項目打破大會紀錄。社會系的陳泳茵在3,000米賽跑中以13分43秒76奪冠，並刷新校內紀錄。

獲得女子組個人全場總冠軍的是輔心系的葉愛華，她獲得3個項目的第一名，包括100米（14秒27）、跳高（1.29米）和跳遠（4.21米）。

學系團體成績方面，工管系總分為202.5分，獲第1名。第2名是英文系，有126分。第3名是會計系，得120分。

仁大常務副校監胡懷中博士主持頒獎禮，並讚揚同學們在比賽中表現的拼搏精神，以及相互之間的鼓勵和合作，體現了樹仁人「永不放棄」的精神。

▲ 女子組全場總冠軍葉愛華（輔心系）與常務副校監胡懷中博士合照。

樹仁田徑隊參加大專陸運會獲得名次

香港樹仁大學田徑隊在今年大專陸運會中奪得兩項名次，分別是男子三級跳第4名和第8名。

仁大今年派出11名男女選手，參加3月6日舉行的香港大專體育協會第55屆陸運會。在男子三級跳項目中，英文系的戴肇麟奪得第4名，會計系的盧匡淳奪得第8名。

身兼田徑隊隊長的戴肇麟賽後表示，隊員各有收穫，既看到了能力上的差距，也同時激發起決心和鬥志，要加強訓練，以提升能力。

戴肇麟在比賽前的一段時間，每周訓練3次。今次他跳出了個人最佳成績。

今年大專陸運會與去年一樣，借用聯校運動中心田徑場舉辦，共有11間大專院校、共348名運動員參加，包括：香港樹仁大學、香港城市大學、香港浸會大學、嶺南大學、香港中文大學、香港理工大學、香港科技大學、香港大學、香港教育學院、珠海學院和香港專業教育學院。

發展網絡 建設未來

▲ 2015年11月7日校友日的壓軸節目是在傍晚時份露天自助燒烤。

有人形容，未來的戰爭將會是網絡戰爭。所指的是國與國之間的角力，以及企業之間的競爭。不過，這說法放在人與人於職場上的比拼，原來亦不為過。

不能否定的一點，個人的力量，在社會中所能產生的作用相對有限，若能得到身邊朋友的支持，自可事半功倍，更容易做出成績來。然而，「朋友」的定義，隨著互聯網及社交媒體深入到每個人的日常生活之中，也許有些人已把「朋友」虛擬化，視為 Facebook 專頁上給 like 的 friend，又或是 blog 上有多少個追隨者。但這些在網絡世界的「朋友」，在現實生活中能扶你一把的又有多少？

香港樹仁大學校友會相信，在網絡世界以外，人與人之間的直接聯繫和接觸，是個人成長所不能或缺的要素。透過舉辦不同形式的活動，校友會鼓勵和協助校友和在校同學在現實生活中構建自己的人際網絡，推動和發展校友之間的聯繫和情誼，因為真正的人際網絡實力，不在乎你擁有多少個朋友，而是你擁有多少個推心置腹，可以義無反顧地幫你的朋友。通過接觸和認識不同背景的朋友，大家更能擴闊視野，客觀審視自己的不足，從而不斷自我完善，持續提升。

以2015年底舉辦的「校友日」和剛過去的2016年春節聚餐為例，我們透過不同的活動形式，吸引不同背景和年齡層的校友參與，包括在內地創業，從事顧問工作的年青90後，亦有遠在新西蘭執業的律師返港與校友重聚。對於「資深」校友能與多年不見的同學及好友相聚，分享各人近況、生活點滴，而年青校友和同學可與不同屆別的「前輩」增進認識，學習交流，這些體驗無疑更值得大家珍惜和回味。

除舉辦聯誼聚會外，校友會還不時舉辦交流、康體、研討、參觀等活動，例如訪問內地大學和工業園區、組隊參與馬拉松長跑、單車百萬行、舉辦專題講座，以及與其他大學校友會合作推動活動等，以支援校友多元發展，在社會上發揮所長，取得更高的成就。校友會樂意聽取校友就日後服務規劃和活動的意見，期望能加強發揮凝聚校友和作為母校與校友之間橋樑的作用。

如對校友會有任何意見，歡迎向會方反映，電郵郵址：info@hksyuuaa.com；有關校友會的資訊，可瀏覽校友會網頁：www.hksyuuaa.com或隨連結至校友會的Facebook專頁<https://www.facebook.com/The-Hong-Kong-Shue-Yan-University-Alumni-Association-HKSYUAA-120474511313465/>。（香港樹仁大學校友會供稿）
