仁大開學禮8月27日在邵美珍堂舉行。

仁大開學禮 秉持敦仁博物開創美好前景

香港樹仁大學於8月27日在邵美珍堂舉行開學禮。仁大常務副校監胡懷中博士、首席副校長孫天倫教授、學術副校長陳蒨教授、行政副校長張少強教授等大學管理層,聯同各學系系主任和老師,以及各行政部門主管均有出席。

學術副校長陳蒨教授向新生致辭時表示,仁大一直重視校訓「敦仁博物」,在當下的數碼年代,仁慈、尊重、和諧以及品行端正,依然是值得守護的儒家價值觀,而在實體世界或網絡上促進多元包容以及和諧關係亦至關重要。仁大還寄語各新生在學術路上,要秉持開放與好奇的心態,並發揮儒家精神以開創美好前景。

開學禮結束後,文學院、商學院與社會科學院隨即展開迎新活動,新生與教師會面交流,為新學年作好準備。 仁大研究院亦舉辦迎新活動,並簡介課程發展,各大學 管理層成員包括常務副校監胡懷中博士,首席副校長孫 天倫教授亦有出席。

- 1 大學管理層及教職員,與學生一起唱校歌。
- 2 仁大開學禮在邵美珍堂舉行。
- 法律與商業學系新生與教師在模擬法庭交流。
- 4 工商管理學系新生與教師在仁大顧鐵華費肇芬伉儷廣 場交流會面。
- 5 仁大研究院亦舉辦迎新活動,並簡介課程發展。

香港樹仁大學招生事務處總監梁小琪小姐接受《樹仁簡訊》訪問時表示,仁大今年有近1,500名新生,當中近八成為本地生、兩成是國際及內地生。今年新生的入學成績理想,文憑試入學成績總中位數維

持17分,超過9成內地高考生考獲一本線或本科線成績入學。

儘管香港主要院校競爭激烈,但仁大每年收生人數 仍維持平穩增長,這反映了本校良好的教學聲譽,仍 是香港極具吸引力的私立大學。

在課程選擇方面,各個學術領域的收生比例平均。其中社會科學相關學系如社會工作學系、社會學系和輔導及心理學系的收生成績不俗,另中國語言文學系及新聞與傳播學系更是高年級入學生的熱門之選。同時,商科有關市場學、會計學、金融學和人力資源的課程也吸納不少內地尖子。

除內地學生外,本校的本科生全日制課程及大學先修 課程證書(IFYP)也吸引了來自馬來西亞、俄羅斯、 印度、韓國、巴基斯坦以及緬甸等國家的國際學生申 請來港就讀。仁大除了將陸續推出貼合全球人力市場 趨勢的新課程外,亦會加強配套以配合大學國際化 的發展方向。

梁小琪小姐續指,今年招生的主題為「在這裡繼續走」,即期望學生在仁大樹立人生新里程碑,在這裡展開新一頁。為此,仁大招生處舉辦了一系列外展服務,包括到本地及海外學校舉行入學講座及教育展覽,為學生提供升學諮詢服務和介紹仁大學與教設施和課程資訊。招生處期望透過與學生互動幫助他們了解自己,找到自己的人生目標及路向。

此外,仁大資訊日已訂於11月16日舉行,屆時將安排一系列線上線下活動並設置各學系諮詢攤位,預計可吸引逾1,000人參與,讓更多人親臨仁大感受校園學習和生活氣氛。

- 註冊處為每位新生講解入學資料,包括為合資格同學申請政府提供的免入息審查資助計劃。
- 2 學生事務處於註冊日特設講座為新生簡介迎新日、住 定及經濟採助等醫生服務。

for the New Academic Year

Hong Kong Shue Yan University (HKSYU) held a staff forum on August 26, 2024, where the University's management team took the opportunity to outline strategic updates across the campus to academic and administrative staff.

Professor Selina CHAN Ching, HKSYU Academic Vice President, addressed the challenges facing the University due to shifts in Hong Kong's demographic landscape, which have contributed to a low number of eligible first-year university students. Despite this. HKSYU has seen a notable rise in student applications, driven by the University's ability to admit Mainland Chinese students, who can now make up to 20% of the student population. Strong collaboration between the Admissions Office and academic departments has also played a key role in this success.

For the new academic year, the university received close to 11,000 applications, representing a yearon-year increase of nearly 30%, with approximately 1,500 new students enrolling. Looking ahead, Professor CHAN expects the number of eligible firstyear students to remain steady over the next two years. In response, the University will enhance a series of initiatives, including continual updates to existing programs and the advancement of research projects that serve both societal and industry needs. Additionally, the newly established Communications and Public Affairs Office will work to raise the University's brand visibility and recognition through various channels.

仁大新學年 迎近1,500新生

香港樹仁大學於8月26日的舉行教職員座談會,讓管 理層向教職員闡述最新校園發展。

仁大學術副校長陳蒨教授表示,基於本地人口變化等 不同原因,合資格入讀大學一年級的人數仍處於低位, HKSYU Welcomes 1,500 Students 但受惠自資院校收取內地學生數目可佔總學生人數的 兩成,加上招生事務處與各學系及部門同事通力合作, 新學年的申請入學與取錄人數均令人滿意,申請人數 接近11,000,按年升近三成,當中有近1,500位新生加 入仁大。

> 陳蒨教授預計,未來兩年合資格入讀仁大一年級的人 數持平,校方會加強一系列施應對情況,包括持續更 新和提升現有課程,致力推進對社會及業界有裨益的 研究項目,及透過新成立的傳訊及公共事務處支援各 學系與部門在不同渠道提升仁大品牌的知名度及可 見度。

Ranked 13th Nationwide in Psychology by Research.com

Global academic platform Research.com has placed Hong Kong Shue Yan University (HKSYU) 13th nationwide in the field of Psychology in its 2024 rankings of top universities by academic discipline.

The rankings assess universities based on the impact of their research, using factors such as the volume of publications and citation quality to evaluate scholarly influence. The list is intended to highlight leading academic research trends and foster collaboration between the academic, business, and policy communities worldwide.

Professor Calvin YU Kai-ching, Head of the Department of Counselling and Psychology, said this recognition is a testament to the collective efforts of the department and will serve as a catalyst for continued progress.

Professor YU credited the department's strong reputation to its accomplished faculty, including two faculty members who were listed among the World's Top 2% of Scientists globally in 2023. These distinctions have helped raise the profile of the department, which excels in areas such as neuroscience, developmental psychology, and mental health and counselling.

On the curriculum side, Professor YU noted that the department's programs are firmly rooted in psychology, providing a deeper academic foundation compared to institutions that offer solely counselling-based training. "A solid grounding in psychology is critical for students looking to pursue careers in law enforcement, counselling, and beyond," he said.

Currently, the department offers eight programs, with plans to introduce two new ones next year: the Master of Social Sciences in Adversity and Trauma Psychology, and the Bachelor of Social Science in Investigative and Forensic Psychology. "Both are designed to meet the growing demand," he added.

Looking ahead, the department plans to expand its offerings in emerging areas such as the Psychology of Cybercrime and Forensic Psychology, aligning its focus with pressing societal challenges. Professor YU said the department is dedicated to enhancing its research output and quality, with aspirations for even higher rankings in the future. Plans to upgrade the department's research facilities are also underway to support more cutting-edge projects.

全球頂尖心理學排名 仁大登全國第13位

國際學術網站Research.com公布2024年頂尖大學的學科領域排名,香港樹仁大學在心理學登上全國第13位。

學科領域排名是根據大學研究人員在其學術領域出版 的論文與被引用的次數和質量作為評核指標,排行榜 旨在促進全球學界、商界與行政機構組織洞悉卓越學 者的研究動向,同時令學者加深認識遍佈全球各地的 學術研究專才與其研究領域。

仁大輔導及心理學系系主任余啟程教授接受《樹仁簡 訊》訪問時表示,這是對輔心系全體同事努力的肯定, 並會視此為更進一步努力的推動力。

余啟程教授指出,輔心系擁有多位傑出學者,其中包括兩位獲列入2023年度全球前2%頂尖科學家的學者,這也提升了學系的整體聲譽。同時,學系的研究領域也涵蓋腦神經科學(Neuroscience)、發展心理學(Developmental Psychology)和精神健康及輔導(Mental Health and Counselling)等多個強項。

在課程特色方面,余啟程教授強調,仁大的輔心系課程以心理學為基礎,這使其較相對於僅提供輔導課程的院校更具優勢。「扎實的心理學基礎對於學生未來在執法和輔導領域的職業發展至關重要,輔心系目前提供八個課程,並計劃明年推出兩個新的碩士和學士課程,分別為「逆境及創傷心理學社會科學碩士課程」(Master of Social Sciences in Adversity and Trauma Psychology Programme)和「法證及偵緝心

理學(榮譽)社會科學學士課程」(Bachelor of Social Science in Investigative and Forensic Psychology Programme),以滿足市場需求。」

展望未來,輔心系計劃推出多個新課程,包括網絡犯罪心理學 (Psychology of Cybercrime)、法證心理學 (Forensic Psychology) 等,這些課程將專注於當前社會熱點問題,充分反映出學系對社會需求的敏感度與前瞻性。余啟程教授表示,輔心系將持續推進研究質量,以冀在未來的排名中再創佳績,目前正計劃升級實驗室,以支持更前沿的研究項目。

仁大首席副校長孫天倫教授與「灣區教育智庫」主席 對談大學發展如何平衡博雅和應用科技教育

「灣區教育智庫」主席陳錦雲7月下旬到訪香港樹仁 大學,與首席副校長孫天倫教授進行對談,二人討論 了大學課程設計、香港心理學發展,以及香港高等教 育變化等。孫天倫教授表示,在時代洪流中,科技教 育固然重要,但仁大仍以人文為基礎,並在人文與科 技之間取得良好平衡。

孫天倫教授接受「灣區教育智庫」平台訪問時指出, 在創新科技發展洪流下, 诱過資訊科技、大數據及 人工智能等應用提升教學已成全球教育趨勢。仁 大「2021-2025年策略發展計劃」中,分別有課程 (Programmes)、實踐(Practices)、概覽(Profile)、人(People)及校園(Place)這5個P,其中在 課程方面,仁大願景是在數碼年代,通過重塑博雅教 育(Liberal arts education),向學生提供有別於 其他院校的高質量大學教育。她解釋,通過增加和改 革課程,仁大在人文與科技之間取得很好的平衡,成 功將科技元素注入大學的人文教育,令仁大在新世 代提升博雅教育至更高層次。

孫天倫教授強調,仁大的辦學初衷為人文教育, 「縱使科技重要,我們都會以人文為基礎。而 且現在做科技的人很多,做人文的少,我覺得 樹仁還是需要保留一些理想」。雖然校方未 有打算成立很有規模的科技部門,但設有 應用數據科學學系,還有相關設備和實驗 室,足以應付仁大師生需要

學生就業前景也是校方的關注點。孫天倫 教授認為要加強跨學科的發展,讓學生 裝備自己配合時代變化。例如中文系在 設計一個四年制的創意寫作學士課程,

其中一部份是教導學生如何結合中國文學及歷史為 動漫影視創作劇本。

仁大環積極配合大灣區發展,孫天倫教授形容仁大 擁有良好課程資源,例如心理學相關課程,校方希望 通過互聯網開放這些優質的課程資源給大灣區甚至 全國學生使用。她預計校方最新開設的遊戲治療專 業,未來有機會設計一個中文授課的模式。

授指仁大開辦全港首個專為國際學生而設的大學先 修課程證書(IFYP),已吸引到來自韓國、緬甸、巴基 斯坦、印度等國家的學生入讀,讓他們深入認識香港 這個中西文化匯聚之都。

學術副校長陳蒨教授主理「盂蘭勝會元宇宙」攤位 以「擴增實境明信片」推廣盂蘭文化

「盂蘭文化節2024-盂蘭百願」於8月23日至25日在 銅鑼灣維多利亞公園舉行,藉現代科技,以不同角度讓 公衆從各方面認識盂蘭勝會,弘揚非物質文化遺產。 香港樹仁大學學術副校長兼社會學系陳蒨教授主理的 「盂蘭勝會元宇宙」 攤位,讓公眾透過AR(擴增實境)及 VR(虛擬實境)親身體驗盂蘭勝會的文化習俗及儀式。

陳蒨教授接受《樹仁簡訊》訪問時指出,「盂蘭勝會 元宇宙」 攤位宣傳了三個成品,其中「元宇宙虛擬博 物館-香港記憶:三個潮人盂蘭勝會虛擬博物館」和 「2022年香港佛教三角碼頭街坊盂蘭勝會虛擬導覽」 皆由非物質文化遺產資助計劃支持。元宇宙虛擬博物 館使用多媒體方式展現盂蘭勝會歷史、傳承與意義; 盂 蘭勝會虛擬導覽則利用360度視頻技術重現了2022年 疫情期間舉行的盂蘭勝會。公衆可以透過連結用手機、 電腦或虛擬眼鏡自行進入元宇宙, 沉浸式體驗兩個成

至於最新製作的「擴增實境明信片」(AR Postcards), 陳蒨教授形容它是「會説話的明信片」。「擴增實境明 信片」一套四張,展示仁大如何為香港旅遊文創產品作 出貢獻,亦希望利用科技將文化知識以有趣的方式傳 遞予公衆。四張明信片印有不同盂蘭特色,包括2023 尖沙咀官涌街坊盂蘭勝會神棚、經師棚、戲棚與紥作。 「公眾用手機掃瞄二維碼後,將手機對準明信片封面, 調整角度和距離後,盂蘭勝會的神棚、經師棚等便會 栩栩如生地出現在眼前,並有籌辦者的解釋及經歷述

- 仁大學術副校長兼社會學系陳蒨教授為參 加「盂蘭文化節2024—盂蘭百願」的參加者 介紹「擴增實境明信片」的掃瞄方法。
- 市民對「擴增實境明信片」感興趣。
- 市民透過手機對準明信片封面,調整角度 和距離後,盂蘭勝會的神棚即可立體呈現。

除「擴增實境明信片」外,亦有一張以三角碼頭盂蘭勝 會六十年代至九十年代派米場景舊相做背景的明信片, 和兩張明信片宣傳虛擬實境盂蘭勝會導覽、香港記憶虛 擬博物館,掃二維碼後會有短片或動畫帶公眾了解盂蘭 勝會的場景與歷史。

陳蒨教授表示,「擴增實境明信片」是想方便推廣傳統 文化,以明信片作為傳播媒介,「無論是寄出明信片的 人、或是收到明信片的人都可以認識到傳統文化。」她亦 鼓勵大家向海外的朋友寄明信片,除了讓朋友收到關心 外,都可以將中國和香港的傳統文化傳揚給全世界。

她續指,在香港利用數碼科技傳承和推廣香港非物質文 化遺產仍是起步階段,由於現時的年輕人沒太多機會與 途徑接觸非遺,但在機不離手的環境下,利用數碼科技 推廣文化在市場仍有很大的潛力。

由陳蒨教授主理的「三個潮籍盂蘭勝會-研究、傳承與 推廣」、除了獲康文署透過非遺資助計劃支持、創建了 「虛擬盂蘭勝會博物館」,其研究成果亦被教育局課程 發展處認為屬有助支援及豐富現行中學課程上有關非 物質文化遺產的教學內容,期望未來進一步討論合作, 讓更多師生受惠。

「香港智齡數碼生活研究-中期數據結果公佈」於8月2日舉行。

「香港智齡數碼生活研究」促助長者應用資訊科技

香港樹仁大學聯同東華學院、香港中文大學、香港大學、嶺南大學和香港科技大學,展開「香港智齡數碼生活研究」,了解長者應用資訊科技的情況。

研究發現七成受訪長者非常憂慮私隱、資訊安全及網絡詐騙,不傾向透過應用程式去理財、支付或網購。團隊建議各界設法提升長者對防騙及資訊安全的知識, 以便安心使用網上服務。

研究團隊訪問910名本地成年人,分析資訊科技使用動機、接觸、熟練度及使用率的情況,當中發現持續個人化支援有助提升長者使用資訊科技。

調查顯示,近八成長者表示遇上科技問題會向家人求助。另外在新冠疫情期間,不少社福機構獲資助為長者提供數碼支援服務,如手機班、一對一手機診所等,但只有少於兩成長者會向各類社區中心求助。社區長者及專業人士聚焦小組亦反映,家人不一定是最有效的教學及求助途徑,社福機構透過連繫同輩長者以及提供有系統的課程,對提升長者學習及使用資訊科技有重要角色。

香港樹仁大學輔導及心理學系副教授 劉喜寶博士指出,本地人口持續老齡 化,了解長者在使用資訊科技方面的挑 戰相當重要。團隊期望研究長者應用 資訊科技落後年輕人的「數碼鴻溝」情 況,可促進安老服務數碼化及智慧城市 方案,有助提升生活質素。

東華學院護理學院副院長(課程)關耀祖教授表示,「數碼鴻溝」對各層次的醫療服務都有 啟示,例如在預防及管理長期疾病方面,長者接觸準 確的健康資訊或受到限制,而不同的數碼產品,例如電子藥盒、血糖或血壓計、跌倒風險偵測器等亦難以發揮效用。至於緊急醫療服務範疇,如長者掌握資訊科技,便可受惠遙距醫療、網上預約系統以加快診症安排,可減少過份依賴急症服務的情況。

在社會服務及社工培訓方面,仁大社會工作學系系主 任兼專業應用副教授方富輝博士建議,社福界可加強 資訊科技於社工培訓的角色,將資訊科技融入教學及

提供服務的場合。他又指出,隨著 長者使用資訊科技的比例逐漸提 升,有關智慧城市的規劃可考慮 進一步善用大數據,相信可更精 準評估社福服務的成效,提升資 源調撥的效益。

新傳系唐淑莊博士獲撥款資助研究項目探討公關廣告及市場營銷應用數碼科技新挑戰

香港樹仁大學新傳系副系主任、助理教授唐淑莊博士獲研究資助局(UGC)撥款資助的項目「數碼營銷傳播的回顧及未來研究方向:學界與業界的跨學科對談」,一共涵蓋六場講座及工作坊,從跨學科的角度了解數碼科技對公關、廣告和市場營銷範疇的影響,並反思行業的發展趨勢,刷新想法。新傳系助理教授徐東博士擔任項目的聯合首席研究員負責資訊科技與營銷傳播的部分。

項目首場活動於2024年4月2日舉行, 旨在探討數碼科技如何影響數碼參與的有效性, 並從理論及專業應用的角度, 展望公關、廣告和市場營銷範疇在未來將會遇到的新挑戰。仁大協理學術副校長(大學研究) 李允安博士於活動當日致辭, 而活動亦邀得美國紐黑文大學(University of New Haven) 市場學系教授王承璐博士及香港互動市務商會副會長許迅先生擔任主講嘉賓。

項目第二場活動探討公關業界應用數碼科技的新挑戰。

項目的第二場活動在2024年6月12日舉行,探討公關業界應用數碼科技的新挑戰,及討論創科技術如何在「以人為本」的公關界中加強工作效率。活動由美國佛羅里達大學(University of Florida)新聞與傳播學院門林娟教授及商湯科技ABG香港業務總經理馮愈先生擔任主講嘉賓。

門林娟教授表示,研究發現社交媒體的傳播威力與日 俱增,公關業界應用人工智能技術,可透過多個方位收 集有關受眾的數據,有效掌握受眾的行為規律,從而大 幅提升傳播效率。她續指,「深偽技術」(Deepfake) 在傳播中帶來的真確性爭議,將會是其中一個重要的 研究方向。

商湯科技ABG香港業務總經理馮愈先生表示,「通用人工智慧」(AGI)將掀起人工智能相關領域的新一頁。他舉例,集團正在利用大語言模型(LLM)「學習」香港的文化多樣性,同時加強「粵語多模態能力」,以地區為本位,進一步發展人工智慧的認知技術。

項目第三場活動於2024年7月10日舉行,探討廣 告業界應用數碼科技的新挑戰。

第三場活動則於2024年7月10日舉行,探討廣告業界應用數碼科技的新挑戰。廣告創作公司Hungry Digital創辦人及總監路迪涼

(Rudi LEUNG)表示,成功的 廣告不只是在網上發文般簡單,而是能夠透過說好故事, 成為帶動社交媒體互動討論 的話題,而推銷產品時亦需說 明所屬品牌如何令用家受惠。

Hong Kong Shue Yan University (HKSYU) proudly inaugurated the international conference titled "Advances in Play Therapy Research: An Intercultural Dialogue" on 26th July, 2024. Funded by the University Grant Committee, the seminal event convened global scholars, researchers, practitioners, and educators to share the contemporary development in the field of play therapy and its adaptation to the cultural context of Hong Kong.

The conference, including pre-conference and post-conference workshops, was staged at the University's Braemar Hill campus between 25th and 28th July. The opening ceremony was officiated by HKSYU Senior Vice President Professor Catherine SUN Tien-lun, HKSYU Vice President (Graduate School) Professor Catherine TANG So-kum, and HKSYU Associate Academic Vice President (University Research) Dr Alex LI Wang-on, together with representatives of the co-organizers.

In his opening speech, Dr Alex LI addressed the specific challenges and opportunities for play therapy in Hong Kong, underscoring the need for culturally relevant practices. "There is significant need for appropriate and effective support for children and their families in Hong Kong," noted Dr LI, as he pointed to the increasing mental health issues among the city's youth and the pivotal role of play therapy.

Professor TANG also introduced to the audience the distinguished panel of keynote speakers and thanked them for joining the event from around the globe. The keynote speakers for the event included:

Professor Sue BRATTON - Professor Emerita, University of North Texas, and Director Emerita, UNT Center for Play Therapy

Professor Dee RAY - Regents Professor and Elaine Millikan Mathes Professor in Early Childhood Education in the Counseling Program and Co-Director of the Center for Play Therapy at the University of North Texas

during the conference covered a wide spectrum of topics in various themes relevant to contemporary play therapy practice, including research related to the effectiveness and process of play therapy, cultural adaptation of play therapy practice, play therapy training and education in cultural context, advances and digitalization of play therapy practice, and research into the resilience and wellbeing in children and families.

In 2022, HKSYU launched Hong Kong's first locally developed professional Master's training programme in play therapy. Run by the Department of Counselling and Psychology, the programme aims to establish play therapy training and research as a recognized professional discipline in local communities. The first cohort of students have completed their study and the programme is welcoming its third cohort in fall this year.

One of the best ways to understand the law, especially at a young age, is to observe it in action. The Moot Court at Hong Kong Shue Yan University serves as more than just a platform for teaching law and advocacy. It also offers the community a glimpse into how the law is practiced in court, inspiring young people who aspire to pursue a career in law.

On July 31, 2024, a group of over 30 young children visited Shue Yan and participated in a summer activity organized by the New Life Church, which included a visit to the Moot Court and our campus facilities. During their visit, the children attended a mini-law lecture by Mr Simon SO, a barrister at law and bar scholar, and observed a demonstration in the Moot Court. They also had the opportunity to explore other campus facilities, such as the Library where judges' gowns were exhibited, the Forum Theatre, the Audio Mixing Suite, and the Control Panel Suite. The children showed promise in news presentations as they were fluent and composed in front of the teleprompter.

It was indeed a meaningful mission to support the New Life Church in inspiring children to have faith in their future. We are grateful to Pastor "Matches" YEUNG, Mr Simon SO, Mr Herman HO, and Mr Jack HUI for their dedicated kindness to the community.

HKSYU Deputy President Dr HU Fai-chung Attended Celebrity Bridge Tournament

On August 6, 2024, HKSYU Deputy President Dr HU Fai-chung participated in a celebrity bridge tournament at the invitation of Mr Derek ZEN, President of the Hong Kong, China Contract Bridge Association. Mr ZEN is also a sponsor of the "Chinese Martial Arts and Sports Culture Communication," a research project under the University's Department of Journalism and Communication.

Mr ZEN, who also serves as the Chairman of Build King Holdings and Road King Infrastructure, hoped that the annual tournament could attract more people to appreciate the depth and enjoyment of the game. He expressed his ambition to promote bridge in secondary schools, aiming to elevate the game to a status comparable to that of music and physical education. Mr ZEN highlighted the game's emphasis on rational judgment and logical thinking, qualities highly regarded by engineers, which can greatly contribute to students' cognitive development. He believes that these skills will enhance students' ability to make thoughtful decisions in both their personal and professional futures.

A seasoned bridge player, Mr ZEN won a silver medal with the Hong Kong men's team at the 2018 Asian Games in Jakarta. In 2023, serving as team manager, he led the Hong Kong team to a historic gold medal in the men's team event at the Hangzhou Asian Games.

Strengthening University-Industry Partnerships IAO Hosted HKSYU Internship Partners Appreciation Luncheon

The Industrial Attachment Office (IAO) organized the HKSYU Internship Partners Appreciation Luncheon on June 20, 2024. The event brought together representatives from internship partners and industrial attachment coordinators from academic departments.

During the academic year 2023/24, a total of 794 students from various disciplines were placed in industrial attachments across 469 companies. These placements included internships at commercial companies, NGOs, social enterprises, schools, and other institutions. IAO organized the luncheon to express the University's gratitude for the support provided by these employers in fostering the growth of young talents.

The luncheon kicked off with warm welcome remarks by Professor CHEUNG Siu-keung, HKSYU Vice President (University Administration), who thanked the employers for providing valuable internship opportunities and real-life work exposure to students.

The event provided an opportunity for faculty, staff members and employers, to come together and share ideas on internship and hiring practices.

Hong Kong Shue Yan University and Tung Wah College Jointly Launched the National and Values Education Online Learning Platform with the Goal to Achieve Societal Harmony

The National and Values Education (NAVE) Online Learning Platform, jointly developed by Hong Kong Shue Yan University and Tung Wah College, was officially launched on June 6, 2024. The platform is the first in Hong Kong to promote national, national security and values education to tertiary students through online interactive games.

The launch ceremony at HKSYU was officiated by Mr Vincent HUI Yin-fung, Assistant Secretary (Continuing Education) of the Education Bureau, Professor Catherine SUN Tien-lun, HKSYU Senior Vice President, and Professor Sally CHAN, President of Tung Wah College. Members of HKSYU senior management and representatives from academic departments also attended the event.

In his address, Mr HUI highlighted HKSYU's longstanding commitment to "cultivating virtues of benevolence" based on Confucian values and its mission to promote benevolent education and Chinese culture. On the other hand, Tung Wah College is known for its emphasis on selfless care and social responsibility. The learning platform thus demonstrates a robust collaboration that combines the strengths of both institutions.

Mr HUI noted that the younger generation represents the future of Hong Kong and the country, adding that the society has high expectations for tertiary institutions to nurture well-rounded individuals with positive values, global perspectives, and a strong sense of national pride.

Professor SUN elaborated on the university's philosophy of education, which focuses on the comprehensive development and cultivation of exemplary individuals. She said university education should extend beyond providing professional knowledge and skills to include social responsibility, ethics, love of the country, respect for others, and upholding the laws. This aligns with Confucius's teaching of "cultivating oneself to bring peace to others" to achieve societal harmony.

Professor Sally CHAN reiterated the importance of national education as a core component of values education centered on Chinese culture. She stressed that tertiary institutions have an inherent duty to maintain national security through education. They are also responsible for fostering students' understanding of national development, national security concepts, and the importance of the rule of law and cultivating them into law-abiding and responsible citizens with a strong national identity.

Dr Raymond CHUI Chi-fai, the development coordinator of the Online Learning Platform, said integrating games and interactive elements helps boost learning motivation and engagement. Each module features 3 to 5 short video clips or animations to present the content more vividly. In the future, the platform plans to include more animations and games to enhance student interest. He expects as many as 1,400 undergraduate and postgraduate students from HKSYU to complete the course tests and achieve passing grades.

Since January, HKSYU has made the course available to all undergraduate and postgraduate students. Tung Wah College also piloted the platform in March and plans to launch it officially in the new academic year. Students from both institutions are required to complete 15 hours of study and achieve a passing grade to meet the graduation requirements.

Since July 2022, the National and Values Education (NAVE) Online Learning Platform has been supported by the Quality Enhancement Support Scheme (QESS) under the Self-financing Post-secondary Education Fund of the Education Bureau. The platform aims to cultivate positive values and attitudes, law-abiding citizenship, and a strong national identity among students while enhancing their awareness of national security.

Teaching staff from both institutions design and develop the platform's content. It combines interactivity and practicality, including videos, games, and animations, to enhance student participation and motivation and promote effective learning outcomes.

- 6 仁大首席副校長孫天倫教授致辭。

香港樹仁大學(下稱「仁大」)與東華學院合作發展的「國民及價值觀教育在線學習平台」,於6月6日在仁大舉行啓動禮,展示全港首個以網上互動遊戲形式,向大專生推行國民、國安及價值觀教育的學習平台。

啓動禮由教育局助理秘書長(延續教育)許延鋒先生、 仁大首席副校長孫天倫教授、及東華學院校長陳慧慈 教授等擔任主禮嘉賓,仁大管理層及各學系代表亦有 出席。

許延鋒先生表示,仁大一直秉持「敦仁博物」的精神, 以儒家價值觀為基礎,推行仁者教育,弘揚中華文化。 而東華學院重視無私關懷的精神,培育學生的社會責 任心,認為學習平台屬於兩所院校「強強聯手」。他又 指出,年輕一代是社會和國家的未來,是一國兩制的 接班人,專上院校是未來人才的搖籃,社會期望各院校 能夠培育德才兼備,有識見、承擔和具備世界視野,持 有正面價值觀和態度,愛國愛家的社會棟樑。

而孫天倫教授亦表示,「大學之道」強調人的全面成長,培養「大人」和君子。大學教育工作除了「專科專教」,讓學生學習專業知識和技能外,亦應該讓學生認識社會責任和道德、何謂家國、如何尊重他人和守法,以達至與孔子所說「修己以安人」,進而實現社會至善,大同與和順。

至於陳慧慈教授亦指,有國才有家,價值觀教育務必包 含國民教育,並以中華文化為主軸。強調透過教育以維 護國家安全,是院校的應有之義。學院有責任幫助學

生關心國家發展,了解國家安全的觀念及法治的重要, 培養他們成為守法及負責任的公民,同時增進他們對 國民身份的認同。

「國民及價值觀教育在線學習平台」發展統籌崔志暉博士同時指出,為增加學習動機及參與度,平台融入遊戲與互動元素。團隊在每個課程領域中,加入了3至5個環繞有關主題的短片,當中亦有動畫,冀用更生動的形式展示內容,而平台未來會陸續增添更多動畫及遊戲,提升學生的興趣。他預計本年底有1,400名仁大的本科與研究生完成課程測驗並取得及格成績。

仁大已於本年1月向全校學士及研究生課程學生提供該課程,東華學院亦已於本年3月以先導形式在校內試行平台,並計劃在新學年正式推出課程,開放予全校學生使用。兩校學生需完成15小時學習,並於測驗取得合格,方可合乎畢業要求。

「國民及價值觀教育在線學習平台」是由教育局「自資專上教育基金」轄下的「質素提升支援計劃」於2022年7月撥款資助,旨在培養學生建立正面價值觀及態度,成為奉公守法的良好公民,同時提升維護國家安全的意識,以及增進青年人對國民身分及中華文化的認同,實踐國家安全教育。

平台內容分別由兩校富專業知識的教學人員設計,在 設計上兼具互動性及實用性,包含影片、遊戲、及動畫 等豐富內容,期望藉此提高學生參與度和動力,促進學 習成效。

HKSYU Hangzhou Digital Humanities Study and Exchange Trip

Fully sponsored by the Hong Kong Hangzhou CP-PCC Friendship Association, a group of 30 students from Hong Kong Shue Yan University (HKSYU) took part in a Digital Humanities exchange tour to Hangzhou, China, from 14th to 18th May. Among them, 10 students were from the BSc (Hons) in Arts, Culture & Technology program under the Department of Sociology, 15 from the Department of Business Administration, and 5 from the Department of Economics and Finance.

The tour was led by Professor Selina CHAN Ching, HKSYU Academic Vice President, who played a key role in coordinating the exchange. Not only engaged with officials and representatives from government bodies and universities, Professor CHAN also explored future opportunities for collaboration in the areas of digital technology and the humanities between HKSYU and other institutions.

Over five days, students had the privilege of visiting numerous notable sites, enterprises, and academic institutions, thanks to the support of Hangzhou CPPCC's Committee for Liaison with Hong Kong, Macao, Taiwan, and Foreign Affairs.

The itinerary included visits to Hangzhou Lingban Technology Co. Ltd., Cainiao Smart Logistics Network Limited, H3C Group, AIGC Scenario Application Innovation Experience Center, and Hangzhou Electronic Soul Network Technology Co. Ltd. Other spots toured included China Liangzhu Cultural Museum, China Vanke Liangzhu Cultural Village Future City, Hangzhou Urban Planning Exhibition Hall, Zhejiang University (Cultural Relics Digitali-

zation Department of Cultural Heritage Research Institute), and the China Academy of Art (School of Innovation De-

sign, and Nanshan Road Art Museum).

Students were also allowed to visit the Hangzhou CPPCC New Era Deliberative Democracy Practice Center, where they engaged in dialogues with Hong Kong-based CPPCC members. The Hong Kong entrepreneurs encouraged students to seize the growing opportunities in digital humanities in Hangzhou and consider pursuing careers or entrepreneurship in the city.

The exchange was further enriched by cultural activities generously organized by the Hongkong Hangzhou CPPCC Friendship Association, including welcome and farewell dinners attended by Mr MA Weiguang, Chairman of the Hangzhou CPPCC, and Vice-Chairman Mr FENG Renqiang respectively, a tour of West Lake, and a viewing of the large-scale water show "Impression West Lake: Most Memorable is Hangzhou". The experiences helped students gain a deeper understanding of how West Lake, an iconic symbol of Hangzhou, has embraced digital technologies to enhance its cultural and historical narrative.

杭州數碼人文考察交流之旅

香港樹仁大學獲香港杭州政協之友聯誼會全費贊助的杭州數碼人文考察交流團,於5月14至18日舉行;活動一共有30名同學參與,包括10名來自社會學系藝術、文化和科技課程,15名來自工商管理學系,以及5名來自經濟及金融學系。

整個交流活動由仁大學術副校長陳蒨教授悉心安排,她不單與政府、大學和機構的負責人溝通,更積極為大學與各方就未來在數碼科技和人文方面發展爭取合作機會。

這5日4夜的行程在杭州市政協港澳台僑和外事委員會協助下,同學們得以考察了多處非常具意義的數碼人文景區、企業和大學;當中包括杭州靈伴科技有限公司、菜鳥網絡科技有限公司、新華三集團、AIGC場景應用創新體驗中心、電魂網絡科技股份有限公司、中國良渚文化博物館、萬科良渚文化村未來城、杭州市規劃館、浙江大學(文化遺產研究院文物數位化部門)、中國美術學院(創新設計學院和南山路美術館)。

另外,同學們更有機會到訪杭州市政協新時代協商民 主實踐中心,與杭州市政協香港委員對談,席間委員

> 分享他們在杭州事業發展的經歷,同時鼓勵同學把握杭州在 數碼人文發展的機遇,可嘗試 到杭州工作或創業。

除了參觀考察之外,同學更獲得香港杭州政協之 友聯誼會盛情款待,安排了歡迎和歡送晚宴,而杭 州市政協馬衛光主席及馮仁强副主席均有出席, 並安排同學遊覽西湖和觀賞大型水上表演《印象 西湖—最憶是杭州》,使同學更切身體驗西湖作為 杭州的人文標標誌,如何融合數碼科技,擴展自身 文化內涵。

仁大校董會成員龍子明先生 獲特區政府頒授銀紫荊星章

香港樹仁大學校董會成員、資深校友龍子明先生在 2024年獲香港特別行政區政府頒授銀紫荊星章,以 表彰他對香港作出重大貢獻,並熱心投入公共及社會

龍子明校董一直致力於青年工作,曾出任各地青年機 構的主席,投身團體及志願社會服務。他接受《樹仁 簡訊》專訪時指,獲得此殊榮感到由衷的喜悅,這不 僅是對他多年來努力的肯定,也反映出他對青年工作 與社會服務的付出;他希望以自己的故事激勵更多人 為社會奉獻、為夢想拼搏。

龍子明校董年僅21歲便計劃踏上青年工作,在30歲 就開始實踐自己的承諾。雖然他現今已68歲,但奉獻 的精神和熱忱仍未減分毫。他回想自己中三時被逐 出校門,要經歷重重困難才完成高中學業;龍子明校 董笑言,「被逐出校當然不是一件好事,但對我來說 是好的開始。」因為新學校的老師既沒有放棄他,更 沒有看輕他,相反得到平等對待,關心同時更給予機 會,自此就改變了他的人生軌跡。

> 中學畢業後,龍子明校 董投考懲教署成為公務 員,並兼讀當時仍是樹仁 學院的法律與行政學課 程。在樹仁的求學歲月

裡,校監和校長對他產生積極影響,讓他深刻的體會 到無私奉獻、互助互愛,以及樹仁的的核心價值「敦 仁博物Ⅰ。

對龍子明校董而言,影響別人的力量是無比珍貴的, 他相信「生命影響生命,人影響人」,這種教育精神貫 穿了他的一生。「既然我受人影響,若將來有能力, 亦希望影響別人。我在青年工作上的貢獻並非轟轟烈 烈,只是希望以細水長流、潤物無聲的方式將曾經得 到的關愛回饋社會,為世界青年帶來正面影響。

他又憶述當年在地政署工作時,獲同事鼓勵報名加入 香港青年商會,是其人生的重要轉捩點,讓他克服在 陌生環境下演講的緊張和恐懼,成功超越自己。「我 認為做人要敢夢敢想,要有勇氣追求進步,多參與不 同的組織或團體,爭取機會去見識、參與籌組及策劃 活動,提升自己的視野和胸襟,因為夢想有多大,成就 就有多大。」

龍子明校董更以《插秧詩》中一句「退步原來是向前」 深諳「你所付出的就是你所收穫的」的道理,他以無 私奉獻的精神鼓舞著自己在青年工作上的努力,家庭 和子女也被他的信念影響。對於家庭教育觀念,龍子 明校董堅信以身作則能讓子女自發地變得更好。讓子 女也秉承著他的精神和信念,各自在不同領域中發光 發熱。

仁大成為香港本地第一間私立大學的過程十分艱難, 對於學校未來50年的發展, 龍子明校董則強調, 要堅 守樹仁精神和「敦仁博物」校訓,培養學生的勇氣和 遠見。「樹仁大學的基礎扎實在於大家都願意為學校 無私付出,單靠任何一方都無法完成,堅持絕不容易, 但有價值的事就值得堅持。」

- 1 This workshop aimed to provide students with an introduction to the fundamentals of 3D modeling skills using the Unity Engine in Virtual Reality (VR) platforms.
- The VR Lab Workshop took place on June 17,2024.

VR Lab Workshop: One-day Intensive Workshop on Digital Competency

The VR Lab Workshop at Hong Kong Shue Yan University, held on June 17,2024 was an engaging and immersive experience designed to introduce participants to the world of virtual reality (VR). The workshop consisted of two sessions, each focusing on a different aspect of VR development.

During the first session, participants learned about Blender, a powerful 3D modeling and animation software. They were guided through the process of creating 3D models and applying textures and materials to enhance realism. By the end of this session, participants had a solid foundation in 3D modeling and were able to create their own virtual objects.

The second session focused on Unity, a popular game development engine widely used in the VR industry. Participants learned how to use Unity to build interactive VR experiences, import 3D models from Blender, and implement user interactions, audio, and visual effects. By the

end of this session, participants had the skills to develop their own VR applications using Unity.

Throughout the workshop, participants had the opportunity to engage in hands-on activities and practical exercises, encouraging them to experiment and explore their creativity. The workshop was facilitated by experienced instructors who provided guidance and support throughout the learning process.

By attending the VR Lab Workshop at Hong Kong Shue Yan University, participants gained valuable knowledge and skills in VR development. Whether participants were beginners or had some prior experience in VR development, this workshop offered a comprehensive and engaging learning experience that inspired and empowered them to explore the exciting world of virtual reality.

HKSYU Establishes Communications and Public Affairs Office

Hong Kong Shue Yan University (HKSYU) is pleased to announce the establishment of its Communications and Public Affairs Office (CPAO), a strategic initiative aimed at strengthening the University's collaboration and interaction with stakeholders. The CPAO commenced operations on 1st August 2024, under the leadership of HKSYU Assistant Vice President Dr. Kaman LEE, who has been appointed Director of the CPAO.

The CPAO has articulated four primary strategic objectives: to amplify HKSYU's impact by promoting the University's excellence in teaching and research, to bolster Strategic media outreach by supporting academic departments, to cultivate HKSYU's media platforms, and to develop and deepen the University's network of collaborative partners. These initiatives align with the University's commitment to advancing a digitally enabled liberal arts education as outlined in HKSYU strategic vision for 2026–2030, and are intended to further elevate the University's global competence.

The office is staffed by a team with extensive experience in media and corporate communications. Notably, two alumni from the Department of Journalism and Communication, seasoned media professional Mr Vincent HO Yung-sang and Managing Editor of Shue Yan Newsletter Ms YAN Ka-yee, have taken on the roles of Senior Manager and Manager respectively. The team will leverage professional corporate communication strategies, including multimedia content creation and coordination of official events, to foster stronger relationships

仁大男籃勇奪 「都會盃2023/24男子三人籃球比賽」碟賽亞軍

香港樹仁大學(下稱「仁大」)男子籃球隊勇奪由香港 都會大學主辦的「都會盃2023/24男子三人籃球比賽」 碟賽亞軍殊榮。

賽事於6月22至23日舉行,共邀請18間大專院校參賽, 其中11隊為本地大專院校,7隊則分別來自內地、澳 門、以及新加坡的院校。是次比賽除了讓各隊大展身 手、互相比拼,提升個人技術外,更促進本港運動員與 外地隊伍互相認識及交流,擴闊國際視野。

仁大男籃派出6名球員參賽,包括盧志明、劉偉杰、翁 朗、蒲駿朗、趙羿涵和陳俊雄,並由趙偉恒教練帶領。 初賽分為四小組,每組單循環作賽,仁大編排在B組, 同組有香港理工大學、香港城市大學和新加坡南洋理 工大學。每組首兩名出線晉身盃賽,第三及第四名出線 則晉入碟賽。

晉身碟賽,並於碟賽決賽中對陣香港恒生大學,最終 以13:11惜負,屈居亞軍。其中,翁朗同學更獲賽會頒 發碟賽其中一位最有價值球員獎 (MVP)。

趙偉恒教練表示,賽前訓練有效,加上隊員們在比賽 中也發揮出應有水準,仁大男籃在三人賽的實力與其 他隊伍旗鼓相當,是次比賽對球隊來說是打了一支強 心針。

隊員們賽後接受《樹仁簡訊》時表示,非常感謝香港都 會大學的激請,隊友們在球賽上的互相鼓勵和努力,是 成功奪得碟賽亞軍的關鍵。他們又稱,這次比賽的成 功來之不易,通過教練的悉心教導及球員的艱苦訓練, 才能得到如此成績。

體育部鼓勵運動校隊多參與不同規模的比賽,目的讓 隊員們建立更穩固的默契,增加比賽的經驗。

新傳系舉行「香港電影人・情・未」講座

香港樹仁大學新聞與傳播學系於6月7日舉行「香港電影人·情·未」講座,暢談電影導演和演員的自我修養及特質,讓有意從事電影行業的同學更認識行業現況。

出席講座的嘉賓包括:金馬獎最佳男主角艾廸;金像獎最佳導演、仁大新傳系兼任高級講師黃偉傑校友,及仁大行政副校長、社會學系張少強教授;並由澳門大學傳播系助理教授李展鵬博士及仁大新傳系系主任李家文博士擔任嘉賓主持。

講座分多個環節,首個環節主題為「電影導演的自我修養」,黃偉傑導演表示,電影製作牽涉資料蒐集,跟新聞採訪的準備工作相似,而他當年修讀新傳系及從事電視台記者的經驗,有助日後運用鏡頭說故事。他並引述恩師杜琪峯所言「第一部電影獲獎是好彩,獲得業界的「入場券」,之後第二部電影才「定生死」,會定義你屬哪類型導演。」

另一講者、金馬影帝艾廸於「電影演員的自我修養」的 環節上則提及,演員最重要是守時,其次就是做好準備,讓內心盡快投入角色之中,例如當接到劇本和角色 後,要先研究角色的內心世界,好讓在現場演繹時,能 夠更加豐富角色的元素。他又指出,演員與其他工作人 員的態度及相處也非常重要,建議對每個工作人員都 要保持謙虛和客氣。

而在「跨學科研究:社會學家拆解電影造就不同層次 感染力」環節上,張少強教授就表示,本港觀眾長期 投入臥底電影,這種類型比一般警匪題材多一個層 次,賣座關鍵在於如何處理「身份錯置」情節。他又指 出,臥底故事有「任務」和「結束」元素,跟香港的殖 民背景和歷史同步,當中充滿研究的價值。

歷史學系主辦 「滬港文化交流: 從《繁花》說起」講座

香港樹仁大學歷史學系致力向外界推動歷史文化知識,於2024年9月7日,與香港公共管治學會、仁大田家炳孝道文化教研中心在仁大校園,一起合辦「歷史文化專題講座」,是次講題為「滬港文化交流:從《繁花》說起」,主講嘉賓為歷史學系系主任何其亮教授。

學界早有研究上海與香港的經濟、文化的互動關係,更 形容兩個城市恰如《雙城記》,而適逢今年暑假,剛巧在 中國內地及香港熱播電視劇《繁花》,更引起各界關注 這雙城的關係,故是次演講主要結合歷史資料,以輕鬆 表述,深入淺出,來引證《繁花》一劇所表述八、九十年 代上海與香港的緊密關係,及兩個城市國際化的情況。

是次專題講座邀請了分別來自香港五間中學的副校長、以及各校的中國歷史科、世界歷史科、公民社會發展科

的師生參加,席間不少學生向 講者發問問題,並作出熱烈交 流,同時又討論到滬港兩地歷 史上的角色。他們均希望未來 歷史學系能多舉辦這類學術講 座,擴闊同學多元學習領域。

Internship Experience Sharing

A Year 3 Psychology student from the Department of Counselling and Psychology of Hong Kong Shue Yan University, Mr Benjamin YING described his internship experience at NGO ImpactHK as incredibly unforgettable. He has gained a deeper understanding of the living conditions and challenges faced by Hong Kong's homeless population, and learned how to effectively plan and execute public welfare projects.

As an assistant in the Projects Department, Benjamin's main responsibilities included assisting project managers in planning and executing initiatives to support the homeless, maintaining the daily operations of these projects, collecting and compiling project data, as well as providing administrative support.

Benjamin emphasised his psychological knowledge, which contributed to organising multiple workshops to help homeless individuals develop deeper self-awareness. Benjamin also dedicated time each week to support individual homeless

clients, by listening to their needs, difficulties, and sharing their challenges with colleagues to find solutions collaboratively.

Speaking of the value of the internship, Benjamin felt a profound sense of purpose and value working at an NGO. Most importantly, he believes the internship at ImpactHK has laid a solid foundation for his future career in the social impact sector, and the knowledge and skills he has acquired will undoubtedly contribute to his professional development.

ImpactHK was founded in 2017, dedicated to serving the city's homeless population, with the objective of helping the homeless settle in a safe home and reintegrate into society.

Welcoming Inbound Exchange Students to join the HKSYU Family!

With the support of the Office of Student Affairs (OSA), the Library, the Language Centre, and our exchange buddies, the Centre for Global Engagement (CGE) successfully organized the orientation programme for Inbound exchange students on 30 August, 2024.

This semester, we are pleased to welcome 24 inbound students from 11 countries and regions to study at our university. These students come from Belgium, Canada, Germany, the Netherlands, Russia, South Korea, Spain, Switzerland, the United Kingdom and five different institutions in Mainland China.

During the Orientation, our exchange buddies introduced HKSYU and Hong Kong to our exchange students from various perspectives, such as transportation, food culture and popular scenic spots.

We also invited a student counsellor to introduce various student services and activities provided by OSA. Additionally, the Language Centre conducted a Survival Cantonese Workshop to help students learn some basic Cantonese phrases.

Even after the orientation concluded, numerous fun activities were planned! Our buddies organized various events for the exchange students to participate in. Some of them tried and enjoyed one of the famous traditional dish in Hong Kong – Hotpot. They also took the iconic Star Ferry to experience the stunning views of the city's beautiful harbour, providing a unique and scenic way to cross Victoria Harbour.

We encourage all students to extend a warm welcome to our exchange students whenever they encounter them on campus. Let us work together to foster an inclusive and friendly environment that promotes cultural exchange and friendship.

The Centre for Global Engagement (CGE) of HKSYU is committed to enhancing students' international experiences through a variety of programmes and initiatives. We provide high quality inbound and outbound exchange opportunities, cultural immersion activities, and support services designed to enrich the academic journey and broaden the global perspective of students. Our goal is to foster cross-cultural understanding, promote personal development, and strengthen global citizenship through meaningful engagement with diverse communities. Stay connected for information on upcoming events and programmes organized by CGE!

A Meaningful Journey of Service and Culture Immersion Taiwan Indigenous Culture and Sustainable Community **Development Service Learning Tour**

Thanks to the generous support of the Tin Ka Ping Foundation, the Office of Student Affairs (OSA) and Industrial Attachment Office (IAO) successfully organized the "Taiwan Indigenous Culture and Sustainable Community Development Service Learning Tour" (台灣原住民文化及社區永續發展服務 學習計劃) in May. A total of 24 students took part in this 10-day program.

In partnership with National Ilan University (國 立宜蘭大學),the service learning tour to Yilan in Taiwan was led by two faculty and staff members and offered a unique blend of service, teaching, visits, and excursions.

The students engaged in two ecological tours and participated in a beach cleanup, providing them with firsthand experience in sustainable development practices and an understanding of the importance of sustainable development goals (SDGs). They also visited a local primary school and organized workshops for the children.

A highlight of the tour was the students' stay in an indigenous-operated homestay, where they immersed themselves in the culture and life of the Atayal indigenous people (泰雅族). This cultural experience deepened the students' understanding of indigenous life and facilitated cultural exchange.
